My dear Susanne Sturton,
Chairperson,
Munster Iyengar Yoga Institute
Dear friend,

Thanks a lot for sending me the paper clippings and audio CD of the interview you had with Radio's of Ireland. It was nice for me to read that you all thought of having "National Iyengar Yoga day" on Saturday 18th January by creating awareness of Iyengar Yoga on that day for all those who attended whether initiated or uninitiated.

Happy to note that nearly 700 student's participated which is a very good sign. Hope this type of having a class induce members towards yoga which is a good sign.

I wish you all the best in your efforts and endeavors.

Yours affectionately,

(B. K.S IYENGAR)
